Oligometastatic esophagogastric cancer

Symposium on the occasion of Tiuri Kroese's PhD defense
24th of October 2024.

Auditorium, Department of Radiation Oncology,
University Medical Center Utrecht

UMC Utrecht

omecprojects.com

Organizing committee:

Richard van Hillegersberg, Professor of Surgery, University Medical Center Utrecht

Jelle P. Ruurda, Professor of Surgery, University Medical Center Utrecht

Hanneke W.M. van Laarhoven, Professor and Chair of Medical Oncology, Amsterdam University Medical Center

Peter S.N. van Rossum, Radiation oncologist, Amsterdam University Medical Center

Tiuri E. Kroese, Radiation oncologist in training, University Hospital Zürich

Program

08:30 - 09:00 Registration

Morning Chair Richard van Hillegersberg and Peter van Rossum

09:00 – 09:10 Welcome – Richard van Hillegersberg

Local treatment for oligometastatic esophagogastric cancer

09:10 – 09:30 Recommendations from the OMEC Project – Tiuri Kroese

09:30 – 09:50 MR-guided radiotherapy for oligometastatic disease – Martijn Intven

09:50 – 10:10 SBRT for rare oligometastatic cancers: the phase III OligoRARE trial – Matthias Guckenberger

10:10 - 10:30 Break

Hot topics in metastatic esophagogastric cancer

10:30 – 10:50 Neck lymph node metastases: the phase II NODE trial – Richard van Hillegersberg

10:50 – 11:10 Peritoneal metastases: the phase III PERISCOPE trial – Johanna van Sandick

11:10 – 11:30 Brain metastases: the phase III WBRT vs SRS trial – Joost Verhoeff

11:30 - 12:30 Lunch

Afternoon Chair: Hanneke van Laarhoven and Jelle Ruurda

Selecting patients for local treatment for oligometastatic esophagogastric cancer

12:30 – 12:50 Determining minimal residual disease – Peter van Rossum

12:50 – 13:10 Targeted therapy and biomarkers for oligometastatic disease – Markus Moehler

13:10 – 13:30 Immunotherapy for oligometastatic disease and the OMEC-5 trial – Hanneke van Laarhoven

13:30 - 13:50 Break

Treatment of oligometastatic disease in esophagogastric cancer, current status from the:

13:50 – 14:10 Dutch Upper Gastrointestinal Cancer Audit and Cancer Group (DUCA/ DUCG) – Bas Wijnhoven

14:10 – 14:30 Netherlands Cancer Registry (IKNL) – Rob Verhoeven

Closure of symposium and invitation for the PhD defense

16:15 – 17:15 PhD defense Tiuri Kroese Academiegebouw, University Utrecht
